Revised 11/21/2022

Dear Parents,

In compliance with the requirements of Every Students Succeeds Act, Rittman Academy would like to inform you that you may request information about the professional qualifications of your student's teacher(s) and/ or paraprofessional(s). The following information may be requested:

Whether the student's teacher:

- Has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- Is teaching under an emergency or other provisional license;
- The license criteria has been waved;
- Is teaching in the field of discipline of the certification of the teacher

Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you wish to request information concerning your child's teacher's and/ or paraprofessional's qualifications, please contact me via e-mail at your convince. I am pleased to inform you that currently all of our teachers and paraprofessional meet or exceed state standards for licensure.

Respectfully,
